

Industrial Fluid Processing Equipment

Pumps • Meters • Mechanical Seals • Industrial Filters • Repairs

- Self-primers and General Pumps

- Water Ring Vacuum Pump
- Dry Vane Vacuum Pumps

- Chemical Metering Pumps

- Vertical Turbines

- Custom Centrifugal Water Pumps
3/4" - 12" with 1/3 to 125 HP motors

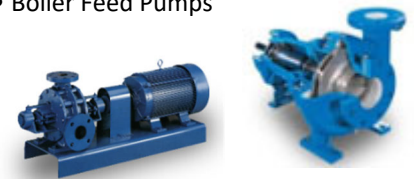

- ANSI Pumps
- Self-priming Pumps

- In Line and Split Case Pumps

- Split Case • End Suction
- Boiler Feed Pumps

- Stainless Centrifugal Pumps
- Vertical Pit Pumps

- Chemical Metering Pumps

- Magnet Drive Pumps
- Universal Rotary gear pumps

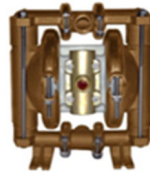

- Condensate Pumps & Systems

- Air Operated Diaphragm Pumps
(Parts for Wilden, ARO, Yamada, Warren Rupp Sandpiper)

Non-metallic Vertical Pumps

- Chemical and corrosion resistant

Tool Coolant Pumps

Tool Coolant Pumps

- High-pressure reciprocating triplex plunger and piston pumps

(Interchanges with Roper Pumps)

- Available in Gear Reduction, Hydraulic, and PTO (Shaft-driven) models

- vertical, horizontal and self-priming pumps
- cast iron, stainless steel and special alloys

800 Series

2100 Series

Division of ASM Industries, Inc.

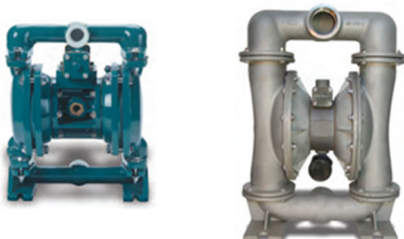

Non-metallic Pumps

- Chemical and corrosion resistant

ITT Marlow

- Air Operated Diaphragm Pumps

E Solutions for Buildings also offers

Pump Repair

For all Brands of Pumps and Vacuum Pumps
